To All OCTAP Permitted Taxicab Companies and Drivers:

It has recently come to the attention of OCTAP that there is a non-profit organization known as the Taxi Drivers Association of Orange County (TDAOC).

It has been reported that the TDAOC claims to have “pressured” OCTAP into indefinitely suspending random inspections and other enforcement activities, and that all taxicab drivers will soon be required to join the TDAOC as a condition of obtaining an OCTAP driver permit. These claims are not true.

OCTAP has not suspended random inspections or any other enforcement activities, and will not require a driver to join the TDAOC as a condition of obtaining an OCTAP driver permit.

Please feel free to contact OCTAP directly at (949) 654-8294, if you should have any questions.
